

# 2022 NOJHL SHOWCASE

(October 4-5, 2022 – Sudbury, Ont.)

On behalf of the Northern Ontario Junior Hockey League, it is my distinct pleasure to invite you to attend our Showcase event, which will be held at the Gerry McCrory Countryside Sports Complex in Sudbury, Ont., October 4-5.

Boasting 12-member teams, the NOJHL continues to become one of the premier Jr. A leagues in all of the entire Canadian Junior Hockey League.

The recently concluded 2021-22 campaign saw five of our clubs listed in the final Canadian Junior Hockey League Top 20 rankings of the season, including our eventual champion, the Soo Thunderbirds who were ranked sixth overall and went on to compete in the Centennial Cup.

As a league, the NOJHL continues to see a multitude of players, coaches, officials and team staff members advance to the next level, be it through NCAA or USPORTS programs, as well via the Canadian Hockey League along with various other elite-level programs, conferences and the professional ranks.

This includes former NOJHL standout Philippe Daoust who led all league rookies in scoring with the French River Rapids back in 2018-19. Daoust was eventually selected by the Ottawa Senators in the 2020 NHL Draft before going on to sign a three-year, entry-level deal with the club earlier this year as well as go on to win a Memorial Cup.

With the NOJHL Showcase returning, following a two-year hiatus, due to COVID-19 restrictions, the two-day event, Oct. 4-5, will provide exciting on-ice action featuring all 12 leagues teams competing under one roof, which will allow you to scout all of our players at one venue, the Gerry McCrory Countryside Sports Complex in Sudbury.

Kindly go through our NOJHL Showcase Information Package and complete our event registration form and return at your earliest convenience.

We thank you for your interest in the NOJHL and look forward to seeing you.

Respectfully yours,

*Robert*
