FRENCH RIVER RAPIDS

Head Coach/GM
Paul Frustaglio

paulfru@hotmail.com (E)

The Rapids rookie-laden line-up boasts 14 first-year players in the league so far this season. ... Topping that contingent is the pair of Joshua Cook and Tristan Lavoie. ... The duo has picked up eight points apiece in as many games played. ... Lavoie arrives at the Showcase on a four-game consecutive game point streak. ... Lief Sigfusson, who leads the squad in goals with four, is third on the team in offensive production. ... Man advantage contributions from rookie Dacey Dupuis have seen all five of his points come on the power play as he's scored twice and helped set-up three other markers. ... That ties him for the team lead while up a skater with Cook. ... French River is a respectable fifth in the league to date on power play success. ... The hold down a man advantage rate of 16%. ... They are 10th however on the P.K. at 72.1%.

He leads all blueliners on his team with nine points, which is just one point away for first among all rearguards. ... Recently surpassing 150 points in his NOJHL career, forward Cameron Menard is tied for third in league numbers so far on the campaign with 13 points. ... His seven tallies ties him for the league lead in that department. ... Menard led all skaters in goals last season with 45. ... Since arriving in Hearst back in mid-September, Dylan Westmann has averaged two points-per-game, collecting 10 through his first five appearances. ... That puts him second in team scoring. ... Right behind him is Trudel, along with Luc Warner and Theo Bourdon-Lemoyne, who have nine points apiece. ... Hearst sits tied for sixth overall with a record of 3-4-0-0. ... Kirkland Lake has started strong this season, arriving at the Showcase playing .750 hockey in sporting an overall record of 4-1-1-0 under first-year head coach Dean DeSilva. ... The Gold Miners have allowed the third-fewest goals-against to date at just 17. ... Much of that is due in part to netminder Asher Ammann. ... He's also fourth in save percentage at .948. ... Topping the slate in scoring is forward Ben Lyons, who has seven through six outings. ... Right behind him with six is Owen O'Grady. ... Kirkland Lake sits 10th overall on the power play at 10.5%. ... On the penalty kill the team is eighth best at 76.5%.

Back at the NOJHL Showcase for a second-straight year are the St. Andrew's College Saints. ... They went 1-1 at the 2025 event in a pair of tightly contested one-goal affairs. ... David Manning's side is fresh off another highly successful campaign as well as having a player from it's 2025-26 roster selected in the most recent National Hockey League Draft. ... The SAC Saints have also had at least one of their former players chosen in each of the past 10 NHL drafts, with 17 of their alumni taken overall in that span. ... The Aurora, Ont.-based Prep School has seen action in 10 games so far this season, having gone 7-2-1 overall. ... 13 of their skaters have registered five, or more, points to date. ... Leading that contingent is a four-pack of point-per-game men, led by James Roy's 14 points on seven goals and as many assists. ... After him comes Tucker Sinclair, who has amassed 13 points of his own, including seven tallies. ... Meanwhile Andy Huang (12PTS) and Nate Feiner (10PTS) help support the Saints' offensive cause. ... Goaltender Luke Lawson sports a 5-0-1 mark in his first six appearance while registering a 2.13 goals-against average to go with a solid .922 save percentage in 366 minutes of game action. ...
